

Pontyclun Branch

Job Description: Delivery Routing Supervisor

Delivery routing is an important aspect of our business, getting it right can mean the difference between an excellent piping hot and or a disappointing lukewarm product for customers. As a routing supervisor it will be your responsibility to ensure drivers are loaded quickly and efficiently and know everything they need to know.

Responsibilities

- Use knowledge of the local area to ensure the quickest and safest delivery route for the driver.
- Provide the driver with all the information they need to know
- Load the driver with all the products they require for delivery
- Keep in touch with all drivers at all times to supervise multiple deliveries

Required Experience

No previous experience required because full training will be provided.

Application

If you are interested in this role please visit our website and download an application form and then post it to us at the following address. Alternatively you can simply post your CV (with the name of the job role you are applying for).
